Credit Reporting. Credit Reporting. We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report. We normally report the status and payment history of your Account to credit reporting agencies each month. If you believe that our report is inaccurate or incomplete, please write us at this address: Discover, PO Box 30939, Salt Lake City, UT 84130-0939. Please include your name, address, home telephone number and Account number.

Paying Interest. Your due date is at least 25 days after the close of each billing period. We will begin charging interest on Cash Advances and Balance Transfers as of the later of the Transaction Date or the first day of the billing period in which the transaction posted to your Account. If you pay the New Balance on your current billing statement by the Payment Due Date shown on that billing statement, we will not impose interest charges on New Purchases. New Purchases are Purchases that first appear on the next billing statement. Interest will continue to accrue each day on purchases that appeared on previous billing statements until you pay the New Balance in full and will be billed in the next billing cycle.

How We Calculate Interest Charges. We Use the Daily Balance Method (including current transactions) to calculate the Balance Subject to Interest Rate. For more information, please call us at 1-800-347-2683.

Balance Subject To Interest Rate. Your statement shows a Balance Subject to Interest Rate. It shows this for each transaction category. The Balance Subject to Interest Rate is the average of the daily balances during the billing period.

Credit Balances. If your Account has a credit balance, the amount is shown on the front of your billing statement. A credit balance is money that is owed to you. You may make charges against this amount if your Account is open. We will send you a refund of any remaining balance of \$1.00 or more after 6 months, or as otherwise required by applicable law, or upon request made to the address in the Contact Us section on page 3 of your billing statement.

Balance Transfers. Your account may not always be eligible for balance transfers. Balance transfers accrue interest at the standard purchase rate unless we tell you otherwise.

Your FICO® Credit Score, key factors, and other credit information use the FICO® Score 8 model. They are based on data from TransUnion® and may be different from other credit scores and other credit information provided by different bureaus. This information is intended for and only provided to Primary account holders who have an available score. Your score, key factors and other credit information are available on Discover.com and cardmembers are also provided a score on statements. Customers will see up to a year of recent scores online. Discover and other lenders may use different inputs, such as FICO® Credit Scores, other credit scores and more information in credit decisions. This benefit may change or end in the future. Availability of FICO® Credit Score

As an active cardmember, you may see your FICO® Credit Score on your monthly statement or online. Reasons why you may not see your FICO® Credit Score include: if you opt out; if you have key information that is mismatched or missing, as one example, an address change that has not been updated with Discover or TransUnion®; if your credit history is too new; if your account status is abandoned, bankrupt, fraud, lost or stolen, closed, revoked, or charged off; if you have a foreign address. Your FICO® Score is disclosed on statements when your statement is available. You may not receive a statement if you have no account activity such as no purchase transactions, fees, interest, or payments for approximately 30 days.

Cashback Bonus® Rewards
